

Convention & Annual Meeting – Full STEAM* ahead!

April 29-30, 2016

Cottonwood Country Club

1780 E. Lakewood Dr., Holladay, Utah 84117

All branch state members and national members are invited. Come join us and be a part of this gathering with state, branch and national leaders. Join the conversation about adding the arts back to the AAUW focus—STEAM. Along with branch updates, networking, and our annual meeting, we will hear about national projects, celebrate our recent successful Utah Women Artists Exhibition, and focus on increasing membership in our organization.

*STEM (Science, Technology, Engineering & Math) plus Art & Design = STEAM

The \$50 registration fee includes Friday evening light refreshments, Saturday continental breakfast, lunch, and materials.
